## **Student Uniform Information and Guidelines 2011-2012**

The goal for having a uniform is to have students dress neatly and uniformly. We rely on parental support to attain these goals. Please assist us by seeing that your child is in uniform, well-groomed, neat, rather than ruffled, no holes in the elbows of clothing and all shirts other than the banded polo shirts should be tucked in. Uniform regulations apply from the time the student arrives on campus until he or she leaves campus, unless otherwise excused. This means that students cannot wear other clothes to school and change at school, nor change into other clothes after school.
